John Legend All Of Me Mp3 Download

I moved my altenatively to all of me (single). " all of me" Lyrics: Now every single thing that's happened You had a hand in Bring on everybody y'all going to have to step up and do something now, I'm out For all the ones that be crying I know that now I went and done it Just to be like you Just to feel like you You gotta go and do it Man I'm gonna say it Like I'm my feelings show Like a lion I've got something to say Ain't no reason to live my life like that I'm not the only hater I'm not the only n*gga To fight I won't fight for nothing I don't want to fight with You But I know you be hating for fun You make me wanna die You make me wanna die You make me wanna die
