Overview: This is an action-adventure science fiction movie, where young boy, on a quest to find his father who went missing. At the same time, he is trying to save the world from an evil force. Synopsis: The critically acclaimed 2015 film from Walt Disney Pictures and Pixar Animation Studios, “Tomorrowland” is the ultimate adventure to the world of tomorrow, inspired by the classic Bradbury novel “The Boy Who Would Live Forever”. It tells the story of 12-year-old Casey Newton (Britt Robertson), who believes his deceased father left him clues to find his way to a mysterious place he calls “Tomorrowland”. There he will meet a wise-cracking cowboy named Frank (George Clooney), whose ability to time travel sets them both on a thrilling journey to discover what really lies at the end of the rainbow. Their imaginations ignite as they team up with Athena (Maia Wilson), a fierce warrior robot and ultimately run into the fiery streets of New York. Joined by the brilliant and rebellious teen heroine, they fight to expose the secrets of the town’s clandestine leader, Chancellor (Raffey Cassidy), a diabolical inventor who is rounding up the world’s smartest and bravest young minds with the ultimate goal of world domination. After an accidental fall puts him in the role of his prisoner, Casey, along with Frank and Athena, must escape “Tomorrowland” and save the world before it’s too late.
