You will be able to celebrate victories with your team or your club with different celebrations depending on the team. Shadow Tactics - Unite the bishoujos and unleash your rebellious inclinations in the all-new Shadow Tactics! Step into the role of a Hizamis Zabi and battle alongside ex-Officer Thiago in a war against the corrupted Municipal Forces. Tom Clancy's The Division - Tom Clancy's The Division is one of the most anticipated new games of 2016. With a powerful single player story campaign, players will get a chance to take on roles of New York Police Department officers as they fight against the Dark Zone, a shadowy parallel world that developed out of an incident at 9/11. Also, The Division will offer an online-only experience that integrates seamlessly into the single-player story. At the end of the first trailer for the game, a player can be seen on a rooftop, pointing a sniper rifle at something off in the distance. The new IP, being developed by Ubisoft Massive, was announced at the end of March 2014 by Ubisoft CEO Yves Guillemot. In November 2014, a Square Enix trademark was found for a title entitled "The Division", but this was later "corrected". The Division is a Division, in the sense of a Police Force that were initially hired by the city of New York to fight against the criminal presence in the Dark Zone. However, there has been a radicalization of the force, seeing that the Dark Zone is not the only problem. The Division has now become a paramilitary unit, authorized to deal with both the Dark Zone and the troubles within the city. The Division's mission is to fight against the darkness, light and the criminal presence of the Dark Zone in New York City, where even the NYPD officers have been corrupted by the consequences of the incident at 9/
