It is based on the Autodesk® Maya® software platform,.House Speaker Nancy Pelosi, D-Calif., and Rep. Adam Schiff, D-Calif., the top Democrat on the House Intelligence Committee, are moving forward with the impeachment of President Donald Trump amid the turmoil of a political crisis that has placed the nation at political and constitutional crossroads. Their allegations against the president are a dangerous power grab and a "bill of attainder," a form of law that is inherently unconstitutional, but the people, represented by their political representatives, will be encouraged to assert their freedoms and their right to be heard. In the last two weeks of his presidency, the president had been notified that the United States House of Representatives was considering impeachment. On Oct. 3, he complied with a request from the House speaker to voluntarily turn over the whistleblower's report to the Intelligence Committee. On Oct. 5, Pelosi brought the whistleblower's complaint to a vote on the floor, as was custom, and the House approved the report by a vote of 235-182. That same day the commander in chief publicly violated the oath he took to defend the nation against all enemies, foreign 0cc13bf012
