He is the current Junior World Champion and has already achieved several other world titles as well. But his journey was as harrowing as that of his mother, when he was just 10 months old and had to live with his grandmother. Soon

The band will be only the members of the band, and the balance of the evening will be dedicated to live musical performance. You will be encouraged to participate in our song writing, so you will definitely be welcomed to sing along. We expect to be singing a little before 9 pm, and staying until 1:30 or 2 am. No jazz and band name collage allowed during the event. Share this event Powered by: Calendar Add to a friends calendar View this event on MapToward accurate high-level description and prediction of the charge distribution in the reactivity of organometallic complexes: multiple-state density functional theory (MS-DFT).
